Medicare Shared Savings Program Accountable Care Organizations

Working together to give you the best care.

John B. Crider MD, LLC is part of an Accountable Care Organization (ACO). We've teamed up with other doctors, hospitals, and health care providers to make sure you get the best care.

We provide coordinated care for you to get well & stay well

- ▶ You get patient-centered care focused on YOUR needs.
- ▶ Your health care providers can see the same test results, treatments, and prescriptions.
- ▶ More coordination helps prevent medical errors and drug interactions.
- ▶ You may save time, money, and frustration by avoiding repeated tests and appointments.
- ▶ Better communication can help protect against Medicare fraud and waste.

Get the most from your care with our communication & support

- ▶ **Ask about signing up for our secure online portal.** You'll get 24-hour access to your personal health information, including lab results and communication from your health care provider.
- ▶ When you choose a health care provider that participates in an ACO, they'll help you get the right care at the right time. You can visit **Medicare.gov** and log into (or create) your secure Medicare account to choose a primary care doctor.
- ▶ Medicare protects the privacy of your health information. If you don't want Medicare to share information with your health care providers for care coordination, call 1-800-MEDICARE (1-800-633-4227). Medicare may still share general information to measure provider quality. For more information on how Medicare may use and give out your information, visit Medicare.gov and search for "privacy."
